**A Great Opportunity and Experience for any Eventer.**  
**Jump Start your 2011 Season and Make It Your Best.**

Winsom Farm, 30621 S. Crawford, Beecher, IL is located approximately 12 miles South of Interstate 80 and about 5 miles East of Interstate 57. The facility offers outdoor Dressage arenas, more than 60 cross-country obstacles and a stadium jump area. The cross-country fences cover the Starter Level through Training Level. Our newly expanded courses now cover more than 30 acres (33% more than previous years).

## The Camp

### Saturday

Groups of no more than 4 riders will work together using flatwork to prepare the horses for their work, maintain their attention and help the riders understand and better use pace. As you work on actual cross-country obstacles you will learn proper preparation, correct technique and best approach. Basic rules and changes will also be reviewed. During the course of the day, every rider will have an individual session with our Dressage Clinician, Barry Fript. Barry is an accomplished rider, clinician and judge. You will do a warm-up and then ride your event test of choice. Barry will score your ride and then review and discuss the remarks and movements with you. You'll then ride your test again to see the effects of any improvement.

### Sunday

We will ride stadium in small groups appropriate with their level of fences and riding. You will work on technique, approach and how to ride unusual lines or turn backs. Fence types, typical traps and how to properly walk a course will be specific topics. Sunday afternoon we will run several cross-country courses and, if possible, make it a team competition for fun.

**Lunch** will be provided both days and handouts of information will be available. Optional for Saturday evening - we organize a fun night out for dinner and drinks (Dutch Treat).
